About the Diploma of Counselling

This nationally recognised qualification reflects the role of counsellors who work with clients with personal and psychological issues using established counselling modalities.

As part of your training you will learn the importance of effective communication, micro-counselling and interviewing skills while drawing on varied counselling therapies to assist clients.

You will have the opportunity to extend and consolidate your own development as a foundation for helping to foster and guide the development of others in a therapeutic setting.

ACCLM Online Course Delivery

This course is delivered 100 % online. Online delivery provides maximum flexibility, allowing you to study anywhere and anytime with all of our training materials, and assessments available on online.

Guided Self-Paced Learning

Self-Paced Learning is primarily a self-directed model of learning with little to no support or guidance provided along the way, with trainer contact generally only occurring once an assessment has been submitted and feedback is provided. Our Guided Self-Paced Learning approach provides students with the additional support and guidance they need to achieve their learning goals through each stage of their study journey with us.

Technology Requirements

The minimum requirements for all students include a personal computer with a current web browser, email address and the software (e.g. Office 365) capability to submit work in a Microsoft Word format, and access to a fast and stable internet connection.

Work Placement

There are no mandatory requirements to undertake work placement when studying the Diploma of Counselling.
